APDA has an independent scientific advisory board (SAB) that recommends the

receptients of the grants, who are in turn approved by the Board of Directors. Initial

funding is made based on the grant and subsequent payments are made contingent on

progress reports. Final reports are mandatory for the grants and only after their

receipt is final payment disbursed.

Centers for Advanced Research where funding extends out to more than one year submit

annual progress reports.

Information and Referral Centers are monitored for volume activity and similarly,

after the initial payment, subsequent payments are contingent upon receipt of

progress reports.
